#	OTHER (PLEASE SPECIFY)	DATE
1	People move to Beer because of an old type village but soon want it to look the same as they have left and want to destroy the village of Beer.	1/25/2021 5:02 PM
2	Asset transfer depends on how well the assets are managed in perpetuity. Contracts must be reviewed regularly and changes made where they are not value for money. This can be difficult for a parish council as it may make them unpopular with locals who hold contracts and then become inefficient. Our experience of Beer planning is it struggles to make these unpopular decisions	1/25/2021 4:48 PM
3	The managerial and financial obligations which would fall upon a parish council have not been fully evaluated. Beer managed to be runner up in the Village of the Year contest. Promote an art or literature festival. The charm of Beer at present is what attracts residents and visitors. Do not let commercial interests destroy this charm.	1/25/2021 4:42 PM
4	We like Beer how it is now, that is why we came here	1/25/2021 4:37 PM
5	People come to Beer for its beauty not raving night life	1/25/2021 4:33 PM
6	Many visitors and residents are more than happy with the village as it is. Beer has a character and quality all its own, don't spoil it. Outdoor music on the Jubilee & beach - ok, but limited to special occasions like Regatta. Temporary food outlets should be limited, these take trade away from our permanent retailers who serve the community all year round. Open air cinemas, presumably costly to stage and so dependent on weather, could end up making a loss.	1/25/2021 4:25 PM
7	People come to Beer for peace & quiet too. Not everyone wants noise, least of all residents	1/25/2021 4:20 PM
8	Who thinks up all this rubbish? The same as closing Fore St!	1/25/2021 4:18 PM
9	Weekend food festivals not too often. Park & ride car park. Toilets on the beach	1/25/2021 4:14 PM
10	Why spoil what we have	1/25/2021 3:43 PM
11	Let them go to Lyme and Sidmouth - most of them are rude and arrogant. Here is an idea, get the roads repaired, they are in a disgraceful state. Push Devon Highways to fix them. Put extra Council tax on holiday homes	1/25/2021 3:21 PM
12	Generally people come to Beer for what it has always had to offer. We would not like it to change too much. Quiet, peaceful, restful. It is our "little bit of heaven"	1/25/2021 3:07 PM
13	There is enough going on. Want to keep our quiet village quiet. That's why people love it.	1/25/2021 11:24 AM
14	Visitors tell us they like Beer as it is	1/25/2021 11:19 AM

16	Weekend food festivals twice a year	1/25/2021 11:13 AM
17	People come to Beer because there is no entertainment	1/25/2021 11:11 AM
18	Promenade to Seaton; diving platform in sea; means of access to sea; changing area on beach; sea washed swimming pool	1/25/2021 11:08 AM
19	Support asset transfer in principle but concerns about the long-term financial ability - raising the precept is acceptable but costs usually rise. People come to Beer for the charm not to be entertained every night. A programme of one-off events through the main season would provide a balance and could then be of a higher quality. Too frequent will impact on local businesses who have to survive all year.	1/22/2021 1:02 PM
20	Beer should be kept as it is, if these things are wanted they should go to Lyme. Support Beer as it is.	1/22/2021 12:59 PM
21	We could do with more advertising of what does go on e.g. badminton, bowls, whistdrive to which everyone is welcome. Please ensure that no assets or land is sold off privately, it must stay in the hands of the Council or village	1/22/2021 12:55 PM
22	Weekends and bank hols should be avoided, already busy enough	1/22/2021 12:50 PM
23	Weekends not needed	1/21/2021 3:27 PM
24	Temp mobile food outlets as long as this is representative and open to all local businesses not	1/21/2021 3:23 PM

25	1 X August organised BBQ or Hog Roast	1/21/2021 3:15 PM
26	Travelling theatre productions	1/21/2021 3:13 PM
27	Do something for teenagers	1/21/2021 3:02 PM
28	Cultural festival e.g. poetry, coastal writing and art, celebrating & educating re fishing heritage	1/21/2021 2:58 PM
29	No to mobile food outlets unless temporary as they will take business away from local cafes. Although admirable that we attract visitors to the village, we must not detract from its uniqueness. We would be nearing a village seaside like Paignton!! People visit us because of our beauty and hiking facilities	1/21/2021 12:14 PM
30	Sidmouth & Lyme are bound to have more entertainment. Beer is a village and what's wrong with having a change & driving there? I think you want to be very careful & not change things for the sake of change. When running a local caravan park for over 30 years each Saturday, I would hear "we have had such a peaceful week and things have not changed". Beer is a unique place	1/21/2021 12:07 PM
31	blank	1/21/2021 12:02 PM
32	Folk groups, literary festival, art display	1/21/2021 11:52 AM
33	Temporary mobile food outlets need careful consideration as businesses already serving these needs. Note that tea huts shut at 5.30pm so they can't be enjoyed by people working outside of village	1/20/2021 8:08 PM
34	Short daytime sessions and evenings only for music	1/20/2021 7:57 PM

43	I think any food outlet/food festival needs to be with the involvement and blessing of local businesses - we should support them as top priority	1/18/2021 10:47 AM
44	Organised music / food events only, when people pop up, you get less sitting there either with food or singers. Singers in the Anchor, when the wind catches it and takes it up the hill sounds horrendous, i end up sitting in side and closing windows and doors, its very annoying.	1/17/2021 5:37 PM
45	Covered eating area on beaches so can be used when weather bad, i.e. like at Barton Bradstock	1/17/2021 5:00 PM
46	A well organised classical music festival would well enhance the character of the vottage	1/15/2021 7:50 PM

54	Beer beer festival	1/6/2021 5:02 PM
55	No more food pop ups, Squirrel is a prime example held up as a saviour of the village and then Lets woozie down with no warning, If extra food is needed it Should be village business first, followed by direct sales to the BPC, no third party food markets should be allowed, That way BPC gets the money not the friends of BPC councillors	1/6/2021 2:27 PM

65	None of the above. They create noise, waste, nuisance and would destroy the special nature of the village.	12/16/2020 4:59 PM
66	Sports events using club facilities	12/14/2020 7:50 AM

1	As a Beer person and over 90 years, the village has been altered so much to please blow ins and spoilt village life	1/25/2021 5:02 PM
2	Should be kept maintained but kept for free public shelters, no commercial use	1/25/2021 4:56 PM
3	Current environmental and horticultural views are that this should be kept as natural as possible	1/25/2021 4:42 PM
4	Keep facilities we have in good order	1/25/2021 4:35 PM
5	Return to its former glory & keep grass cut regularly as Cyril Laptin had it. Individual costs required for each item must be considered and given i.e. how much does it cost to maintain the toilets? If agreeing asset transfer, surely the main car park is the biggest and best to switch from EDDC to BPC. A public meeting is required to discuss this.	1/25/2021 4:33 PM
6	Why come here to live if you want to change everything that makes Beer the village so popular for visitors. Eventually cost would go to residents Council Tax	1/25/2021 4:28 PM

9	Didn't Mr Self give the shelter to the Fishermen of Beer so that they could sit and chat	1/25/2021 4:16 PM
10	Do not agree with take over. We cannot afford more money on Council Tax. This will bankrupt our village. Do not change our village.	1/25/2021 3:56 PM
11	Why spoil what we have	1/25/2021 3:43 PM
12	Leave as it is	1/25/2021 3:22 PM
13	Totally against all suggestions especially cafe at Self Shelter which was given to Beer, not to EDDC or BPC. Area in front is for emergency vehicles. Pinch point by Bay View is Covid unsafe at the best of times without further traffic and footfall. There is enough places to eat and drink locally even in the winter.	1/25/2021 11:24 AM

18	Local businesses should be supported	1/22/2021 12:59 PM
19	We have picnic area in Charlie's Yard	1/22/2021 12:55 PM
20	No cafes to be on Jubilee as will kill off beach businesses. Fisherman's & Self Shelters to be left as they are, open to all not for profit.	1/22/2021 12:50 PM
21	Leave Self Shelter as it is, people like to go and just sit in open space. We have enough cafes/restaurants in the village	1/22/2021 12:41 PM
22	picnic table on self shelter roof & WI seat	1/22/2021 11:27 AM
23	This would require power but could run similar to the Chine Cafe in Seaton which is always well supported	1/21/2021 3:24 PM

25	Outdoor table tennis	1/21/2021 2:58 PM
26	By levelling the bank you take away the very nature and appeal of the village. Seating is extra expense, people are happy to sit on the slope - proof of this during Regetta. We are not the Minack Theatre.	1/21/2021 12:14 PM

37	Never want to see a year round cafe. This is a lovely sitting and viewing area, so more benches are required. Business will be taken away from the bench cafes and in the village, and the ones that are open in the winter months struggle, why bring more? Allow and Improve facility for the current bench cafes, but more is not required.	1/17/2021 5:37 PM
38	Cafe's on beach should have covered areas to allow year round cafe/restaurant facilities	1/17/2021 5:00 PM

41	Would be great for the cafe facility in Self Shelter to be a marked improvement to cafes on the beach (i.e. similar to The Hideaway in Seaton) and/or offer alcohol	1/12/2021 8:06 PM
42	I do not support the self shelter cafe because there is no guarantee that it will be run in a way that differs from the beach cafes. My concern is that we could end up with instant coffee, plastic tables and chairs and polystyrene encased burgers. Not worth the risk.	1/12/2021 8:05 PM

But parking spaces could also be empty when there are no visitors, which is a shame for transient visitors and might also lead to problems with inappropriate parking unless the spaces have lockable poles (or equivalent). 16	Don't see the point in taking this over, picnic area and benches do get used. With the new memorial path and benches, this is a lovely quite place to sit. Many car go up there and they sit in or by the side of car and have a drink, read, picnic. Whenever there is a play area, you don't see this and most kids won't appreciate the view. With a play area you are also encouraging kids late in the evening to hang around up there, when there is already an issue with young drivers. Asking for trouble.	1/17/2021 5:37 PM
17	Play park area will not generate any income for the village. We have great facilities at Peco' and near beach. Campers can go to Beer Head Caravan site otherwise who is going to manage the campers & take money?	1/17/2021 5:00 PM

33	Why do you need to do anything? Comments regarding Survey - You are asking for support from the village to help maintain and thus help with cost of running, but clearly shown a lack of sharing this. The figures on the letter is very high level, you are asking us to help, without a clear break down of what each area currently costs and what makes the figure up. The questions are misleading, especially with out understand costs of work involved for options. Possible high hopes for improvements, that we will then later need to pay for because its to high a cost in the end, then what happens to it. A lot of the options have high infrastructure costs. Major lack of transparency.	1/17/2021 5:37 PM
34	Save our money and do not do anything with the wooded area. It has no advantage to the village or residents spending more money on it. Please note your survey is not suitable as it is not extensive enough to cover the serious decisions that need to be made from your proposals. The commercial options proposed seem to be missing the wider/bigger investment required to make Beer attractive to visitors all weathers. We need opportunity to create more diverse food offerings to our visitors (we don't need more burger & chips that your proposals offer with more small cafe's with limited facilities to provide what new visitors want). Many visitors are disappointed by our cafes and food offerings on the beach front in a fishing village and go else to spend their money. We need to extend facilities on beach to allow for more diverse food offerings which is only possible if they can serve customers all weathers & can invest in their business. Please can we have toilets on beach. Why do we need to ruin the great open space in Charlies yard that is used for visitors to picnic and enjoy the current view. There is no real commercial value of the modifications you propose as the cost/reward is not there. Again you need to look at the bigger picture of Beer and not force these decisions upon us. Is it true that if any part of these proposals are not commercially viable then they will be sold off? If so then, in my opinion (experienced in several local business) then the items you are getting transferred will never be viable and is putting our assets at risk (and any future decisions need to be taken as a whole rather singular).	1/17/2021 5:00 PM

40	Why the hell would anyone want to take this on, what risk and cost assessments have been conducted to ensure in the event of a land slippage the village does not end up with a vast bill for ground stabilisation works, and I hope the parish council has sufficient insurance to cover the cost from local business should the road have to be closed. The only way this is a good idea is if someone has a hidden agenda it stinks	1/6/2021 2:27 PM
